

REMARKS

This case has been carefully reviewed and analyzed in view of the Office Action dated 17 May 2005. Responsive to that Office Action, a Terminal Disclaimer and fee are submitted with this Amendment.

In the Office Action, the Examiner provisionally rejected Claim 1 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claim 1 of co-pending Application 10/809,506. A Terminal Disclaimer and fee are hereby submitted to obviate this provisional double patenting rejection over the co-pending Patent Application of Applicant.

The provisional rejection of Claim 1 thus having been overcome, it is respectfully submitted that the subject Patent Application has now been placed fully in condition for allowance, and such action is respectfully requested.

A check in the amount of \$65.00 made payable to the Director of Patents and Trademarks to cover the required Disclaimer fee accompanies this filing. In the event that additional fees are required for this filing, the Director of Patents and Trademarks is authorized to charge such additional fees (and to credit any overpayments) to Deposit Account #18-2011.
